

Target Anti-Splash Urinal Screen

Use this long-lasting and easy to install urinal screen with a target design to reduce splash-back and help users to aim.

The Target urinal screen is made from high-quality materials and its long-lasting construction makes it an excellent investment for any business. It features a target to help users aim correctly and to reduce slippery mess on the restroom floor. Quick and easy to install, it reduces splash-back, neutralizes unpleasant odors and emits a fresh scent. Perfect for commercial and institutional applications. Looking to keep the washrooms smelling even fresher? Combine this urinal screen with the [Air-Mist Metered Spray Dispenser](#) and any of the [Air-Mist Spray Refills](#) available in 8 different scents.
