

## 20" Safety Pop-Up Sign

Use this collapsible Safety Pop-Up Cone in bright yellow to help prevent accidents in public areas, commercial and institutional buildings, warehouses, etc.

Highly visible and quickly identifiable, this trilingual Safety Pop-Up Sign is durable and portable. Easy to set up with a grey plastic storage tube that allows for multiple mounting options, it is collapsible for convenient storage. The durable fabric panels can withstand rough handling and deploy instantly. You can set up this Safety Pop-Up Sign after cleaning your floors with a [MicroPet™ Cut-End Wet Mop with Narrow Band](#).
