

Titan 20 gal Garbage Container

This tough trash container made of durable plastic can handle the heaviest loads.

The Titan Garbage Container is made of food-grade plastic and is a durable, seamless design that will not rust, chip or dent. It features our patented bag cinches to make keeping your bags in place easier while increasing the strength of the handles. It also has a re-enforced rim and base for strength and durability. The Titan 20 gallon capacity makes it ideal for commercial, healthcare and food service applications. Also available in [10 gal](#), [32 gal](#), [44 gal](#) and [55 gal](#) capacity. The same bin is also available as a [recycling bin](#).
