# 12" Plastic Window Squeegee

## This easily maneuverable Plastic Window Squeegee is a great tool for routine cleaning and maintenance.

This Window Squeegee is lightweight and easy to handle. It is made of durable plastic and features an aluminum channel with a streak-free rubber blade. This versatile squeegee is great for smoothing window film or removing liquid from any smooth surface. Can be used in residential, commercial and institutional applications.

### Product Features

- Made of durable plastic
- Features a streak-free rubber blade
- Comfortable handle with ergonomic shape

- Available in 12" or 18"
- Use with extension pole for longer reach
