

## Plastic Safety Scraper

This practical Plastic Safety Scraper is ideal for removing paint and labels from glass and other hard, smooth surfaces.

Versatile and durable this Safety Scraper features a plastic handle and a retractable and replaceable single-edge razor blade made of high carbon steel. Thanks to a compact size, you can carry it in your work belt or tool box. Use it to remove labels, adhesives, dried stain, rust and more. Want a sturdier version of this effective tool? Try the [Metal Safety Scraper](#).

### Product Features

- Sturdy plastic handle
