

58" Maxi Floor Scraper

The Maxi Floor Scraper is durable and the perfect clean-up tool. The long handle reduces physical strain while the sharp blade helps you clean more effectively.

This heavy-duty floor scraper features a sturdy 58" aluminum handle and a 6.6" stainless steel blade. It has a comfortable grip and is easy to maneuver. Use it to remove gum, tape, dried on residue and wax buildup from floors, baseboards and sidewalks. The blade is sharp on both edges and can be replaced less often. Ideal for commercial, industrial and institutional applications. Looking for a smaller version? Try our [Handheld 10" Metal Floor Scraper](#).
