

10" Metal Window / Floor Scraper

This 10" Metal Window and Floor Scraper is a great tool for scraping paint from windows, mirrors, tiles, and other flat surfaces.

This versatile 10" window and floor scraper can remove stubborn residue without scratching surfaces. It features an aluminum handle and a comfortable, non-slip grip. You can retract the blade after use for safety. The compact size makes it a great choice for residential and commercial use. Keep your scraper sharp with the [4" Scraper Blade Refills](#).
