

10" Microfiber Window Washing Sleeve - Blue

This microfiber sleeve is designed for effective window washing and pairs with T-bars to deliver maximum cleaning power.

This Window Washing Sleeve is constructed in microfiber and helps you remove dirt before squeegeeing. Perfect for cleaning window screens and high areas, this t-bar cover is machine washable and durable. A versatile tool for janitorial services and institutional applications. Use it on a [regular t-bar handle](#) or a [swivel t-bar handle](#).

Product Features

- Made of microfiber

- Designed to wash windows effectively before squeegeeing
