

18" Microfiber Window Washing Sleeve - Grey

This microfiber washing sleeve pairs with T-bars to deliver maximum cleaning power and is easy to launder and use repeatedly.

This Window Washing Sleeve is made of microfiber and makes it easy to remove dirt before squeegeeing. The washer cover is machine washable and durable. The perfect versatile tool for commercial and institutional applications. Use it on a [regular t-bar handle](#) or a [swivel t-bar handle](#).
