

## Cotton Detachable Yacht Mop

Cut-end style yacht mop in cotton for maximum absorbency.

Achieve superior cleaning performance with the Cotton Detachable Yacht Mop, crafted from premium cotton yarn for exceptional absorbency and efficient floor drying. Designed with a durable connector compatible with threaded mop handles, this mop delivers long-lasting, reliable performance.

For optimal results, break in the cotton mop by soaking it in water to remove natural oils and debris, ensuring peak performance for every cleaning task. Enhance your cleaning routine by pairing the Cotton Detachable Yacht Mop with a [down press wringer](#) for maximum efficiency.
