

10 oz Loopy Detachable Yacht Mop - Blue

Equipped with a universal handle socket, this versatile and long-lasting mop is both economical and performant.

Introducing the Loopy Detachable Yacht Mop - the ultimate solution for keeping your floors clean. With its strong and durable connector, this mop is designed to last, providing you with a reliable and efficient cleaning experience every time. The Loopy Yacht Mop is available in a long-lasting synthetic yarn that is not only economical, but can also withstand repeated laundering. This means that you can rely on your mop to maintain its high-quality performance, even after multiple washes. Crafted from a blend of blue polyester and rayon, this mop offers the perfect combination of strength, durability, and absorbency. Its universal socket ensures easy attachment to any [threaded handle](#), providing you with maximum flexibility and convenience.
