
18" Long Handle BBQ Brush with Stainless Steel Bristles and Scraper

The 18" Long Handle BBQ Brush is a durable and effective cleaning tool with stainless steel bristles and a heavy duty scraper.

Easily clean your grids with our 18" Long Handle BBQ Brush. It features a long polypropylene handle that allows you to clean cooking grids from a further distance, durable stainless steel bristles that are heat resistant and a heavy-duty scraper. If you prefer to replace the stainless steel bristles by bassine fibres, try our [20" Wood BBQ Brush with Metal Scraper](#).

Product Features

- Made with short stainless steel bristles
- Long ergonomic handle
- Heavy-duty scraper
- Effective tool to remove tough stuck on food
