
20" Wood BBQ Brush with Stiff Natural Scraper

The 20" Wood BBQ Brush with Stiff Natural Scraper is a durable and effective cleaning tool made with bassine bristles.

Designed for high heat cleaning, our 20" BBQ Brush with stiff bassine bristles is perfect to remove char and grit from the grill. The utility brush is made with a wood block handle that includes a hole at the top for hanging and features natural bassine bristles that are ideal for general cleaning. Thanks to a heavy-duty scraper also made of bassine bristles, you'll be able to scrub off stuck-on food and grease. If you prefer to have your hands closer to the grill and apply more pressure for a better clean, try out the [9" Wood Grill Brush](#).
