

8" Stiff Scrub Brush - Poly Bristles

This rugged scrubbing brush is perfect for cleaning floors and other rough surfaces. The densely packed, stiff bristles are excellent for scrubbing away heavy soils and stains.

This 8" scrubbing brush features stiff black polypropylene bristles set on a durable plastic block. The brush is solvent-resistant when used with appropriate chemicals to remove marks and stains on masonry and other hard surfaces. It comes with a [48" Threaded Metal Handle](#) to quickly and effectively remove liquids from flooring. Ideal for commercial and institutional applications.
