

11" Wood Deck Brush with Squeegee - Poly

For effective scrubbing and quick removal of liquids from flooring, opt for our 11" Wood Deck Brush With Squeegee.

Our rugged 11" Wood Deck Brush with Squeegee is ideal for cleaning floors and rough surfaces. The densely packed, polypropylene fibres are excellent for scrubbing away heavy soils and stains. The robust squeegee helps wiping floors clean of residues, and directing liquids down drains. This brush can be paired with a [Tapered Wooden Handle](#).

Product Features

- Made with polypropylene fibres

- Thick hardwood block
- Water resistant
- Compatible with wooden tapered handles
- Durable construction for extensive use
