
12" Plastic Wire Brush with Scraper

This wire brush is built to last and designed for the toughest cleaning jobs.

Featuring a rugged plastic block and stainless steel bristles, this heavy-duty wire brush is ideal for a variety of industrial uses. The brush is equipped with a durable scraper and a comfortable, ergonomic handle. Use it to remove dust, dirt and rust from metal surfaces to prepare them for painting and more.

Looking for a brush that is a little gentler but that can tackle through tough cleaning jobs? Try our [6" Iron Style Scrub Brush](#).
