

## 32 Qt. Grizzly Down Press Combo - Grey

Grizzly down press mop wringer and mop bucket combo, extremely effective at releasing water.

The Grizzly down press mop wringer and mop bucket combo is a high performance cleaning system featuring a wringer with a heavy-duty spring that ensures maximum water extraction from your mop. Thanks to a large capacity, the sturdy and lightweight bucket is perfectly suited for commercial and residential cleaning. The non-marking swivel casters make it easy to move from one surface to another without scuffing your floors. With this Grizzly combo, you can cover more surface in less time.
