21Qt Junior Side Press Mop Bucket Combo - Yellow

Junior sized side press wringer and mop bucket combo.

More compact than our other cleaning systems, the 21 qt. junior side press wringer and mop bucket combo is perfect for the maintenance of smaller spaces such as offices and homes. This durable and versatile combo features a bucket made of highly resistant polypropylene and a sturdy wringer with a side metal arm. The non-marking swivel casters are easy to maneuver, while the large side handle makes it easy to carry and store the bucket. Can be used with smaller sized wet mops.

21 Qt. Junior Side Press Combo - Product Features

- Made of high quality polypropylene that prevents corrosion and cracking
- Thick walled bucket for better durability

- Reduces splashing for a safer and cleaner work environment
- Space-saving design, ideal for offices or small spaces
- Non-marking swivel casters that are easy to maneuver
- Capacity of 21 qt.
- Available in yellow and blue
