

Brix Compact Office System

This innovative, compact cleaning trolley has all the best features for office maintenance.

Fully equipped and truly versatile, the Brix compact office system is an innovative cleaning cart for janitorial services. Mounted on four wheels, it features two doors, two drawers, several handles for tools, a safety sign holder, two 15 L buckets with a down press wringer, a mop support and a bag support. Lightweight and easy to push around, this trolley is built to last and allows you to keep all products and tools within reach to take on cleaning duties. Pair this with one of our [ProMop Combo with Blue Loop Mop and Handle](#) and a [Microfibre Duster](#) and you'll be all set to clean your offices.
