Small Utility Cart

The M2 small service cart has 3 shelves and durable handles at both ends.

This small utility cart is constructed of 3 smooth shelves that can hold up to 55 pounds each. Mounted on non-marking, quiet and very smooth rolling swivel casters, this cart is easy to maneuver, even when fully loaded. The dual handle design allows the user to either push or pull the cart from either side. Also available in a large and deluxe format.

Product Features

- Equipped with durable handles at both ends

- Made with 3 strong shelves
- Easy to clean smooth surfaces
- Shelf Weight Capacity of 55 lb
