

60" G-STAT Looped Dust Mop - Keyhole Backing - Blue

G-STAT dust mops are made with special long wearing yarn to help better attract dust and dirt particles.

Experience unparalleled durability and reliability with the G-STAT Looped dust mop. Its specially blended yarn can withstand heavy use and repeated commercial laundering with no fraying, tangling, unravelling, or linting. The long-wearing polyester backing, complete with extra stitching, provides added reinforcement for a longer lifespan. Trust in the superior quality of our dust mop for all your cleaning needs. Can be used with a [Clipper dust mop frame](#) or a [Snapper dust mop frame](#).
