

12" Metal Dustpan

Rely on this tough and durable Metal Dustpan for spot cleaning in residential, commercial and industrial settings.

Rugged and long lasting, our 12" Metal Dustpan is made of steel. It features a ribbed construction for added strength, a baked on enamel finish and a hanging hole for easy storage. It also has an angled front edge that hugs the floor for maximum dirt pick up. Ideal for spot cleaning in residential, commercial and industrial environments, indoor or out.

Product Features

- Heavy-duty 20 gauge steel construction

- 12" width with a fine line edge
- Ribbed design for added strength
- Convenient hanging hole for storage
- Can be used in tough environments
- For residential, commercial, and industrial use
