54" x 15/16" Threaded Wood Handle

This standard, durable broom handle features a wooden construction with a threaded tip that fits a wide range of M2 products.

This wooden broom handle is a great and durable choice for commercial and industrial maintenance. The smooth finish helps prevent splintering as well as wear and tear. The threaded tip accommodates standard brooms, brush blocks and squeegees. Opt for this economical broom handle for all your cleaning needs. Pair this Threaded Wooden Handle with a Fine Sweep Push Broom and get rid of fine debris.

Product Features

- Wood construction
- Smooth finish

- Threaded end
- Compatible with a variety of M2 products
- Ideal for commercial and industrial applications
