

16" Dual-Sided Flat Mop Frame

This duo frame doubles the cleaning power of your mop with its reversible design.

The Dual-Sided Flat Mop Frame easily flips over for maximum coverage while suting or mopping. It has a 16" wide frame that can be covered with the removable and washable [16" Dual-Sided Microfiber Flat Mop](#). Its design can lie flat to easily clean under furniture. It has a locking collar that can accept any non-threaded handles, like the [60" Non-Threaded Fiberglass Handle](#).
