

## 54" Aluminum Food Processing Handle - Blue

Use this 54" food processing handle made of sturdy and durable aluminum with brushes and brooms. Ideal for industrial environments.

Sturdy and flexible, this aluminum handle is lightweight and easy to manipulate. It features a cap with hanging hole and a European threaded tip that fits a wide variety of M2 products. The comfortable cap is available in 5 colours and can be used in a colour coded system to meet HACCP regulations. The handle can be paired with multiple brooms, like the [24" Food Processing Push Broom](#) or the [13" Food Processing Short Upright Broom](#).

## Product Features
