

Food Processing Cylinder Brush - 2.6" / 65mm Diameter - Blue

This round, durable cylinder brush is the perfect cleaning tool to scrub tubes, pipes and small machine parts in commercial and industrial kitchens as well as food processing environments.

This high-quality cylinder brush is made of durable polypropylene and features stiff polyester bristles. It can be used to clean pipes and tubes, meat mincers and other food processing machines. Available in white, green, blue, red and yellow, this brush can be used in a colour coded system. Pair it with a [24" MonoBlock Short Plastic Handle](#) or with a [Euro Thread to Locking Collar Insert](#) and a locking collar handle.
