
4" Pipe and Drain Brush - Blue

Tube and drain brushes made specifically to clean meat grinders, although also useful in cleaning valves and pipes.

This 4" pipe and drain brush in blue has been designed to reach deep into the tight spaces of meat grinders, effectively removing any residual meat particles, grease, and debris. This ensures your meat grinder stays in pristine condition, delivering optimal performance and preventing cross-contamination between different batches of meat. This brush also allows easy access to hard-to-reach areas in valves and pipes, ensuring thorough cleaning and maintenance. Built to withstand rigorous use, these brushes are durable and long-lasting, making them a cost-effective investment for any food-related business.

Product Features

- 4" diameter brush
- HACCP certified
- Manufactured for food contact areas to ensure proper sanitation
- Made in Canada
- Comes in packs of 3
