

24" Food Processing Push Broom - White

This sturdy and sanitary push broom is recommended for use in food processing and prep areas.

This 24" push broom features a sturdy plastic block, a locking collar and sanitary, chemical-resistant polypropylene bristles. It is ideal for scrubbing floors and walls in the food industry and other environments where hygiene is a priority. The coarse, angled bristles allow for fast and effective sweeping and are available in 5 colours to reduce the risk of cross-contamination. Combine these push brooms with a [54" Aluminum Food Processing Handle](#) or a [57" MonoBlock Short Plastic Handle](#).

Product Features

- Durable plastic block
- Short, coarse polypropylene bristles
- Locking collar
- Can be used in a colour coded system
