

12" Food Processing Scrub Brush - Blue

Prevent mould and mildew build-up and keep your flat surfaces clean with this heavy-duty Food Processing Scrub Brush.

This Scrub Brush features a sturdy polypropylene block with a locking collar and coarse, short bristles. The split shape design allows for efficient cleaning of flat surfaces, under counters, around equipment, and along baseboards. It is a must-have tool in the food industry and other environments where hygiene is a priority. To be used with a [54" Aluminum Food Processing Handle](#) or a [24" MonoBlock Short Plastic Handle](#).

Product Features

- Made of durable polypropylene
- Coarse short bristles
- Locking collar
- Can be used in a colour coded system
- Ideal for commercial and industrial applications
