

Grout Brush with Scraper

Grout brush with scraper that can be handheld or used with a threaded handle.

This grout brush scraper is the perfect narrow scrub brush and grout cleaner brush. It is specifically shaped to clean deep into those grout lines. The stiff bristles are wear and tear resistant and will clean dirt, soap scum and mold without ever damaging tiles or grout lines. The scraper can easily remove stuck on grime. The strong plastic handle is shaped for maximum comfort and power. The brush also has 2 threaded openings to use it with a [Threaded Metal Handle](#) in an angled or straight position.

A variety of assorted brushes are also available, like the [5" Ergonomic Hand Scrubbing Brush](#), the [9" Detail Brush](#) and the [7" Detail Brush](#).
