

Antimicrobial Food Service Wipes - 13.25" x 20" - White

Antimicrobial Foodservice wipes are used in wiping down bars, tabletops, and Foodservice equipment.

M2 Antimicrobial Foodservice Wipes are high-quality towels, serving as an excellent linen replacement in a variety of food service establishments. Measuring 13.25" x 21", our Foodservice Wipes are the perfect size for handling various kitchen tasks with ease. These reusable towels are not only absorbent but also boast antimicrobial properties, ensuring a hygienic and bacteria-resistant surface every time you use them.

Sustainable and Cost-effective:

Embrace an eco-friendly alternative with our washable Antimicrobial Foodservice Wipes, allowing for multiple uses without compromising their efficiency. Invest in a long-lasting solution that reduces waste and saves you money in the long run.

Versatile and Efficient:

From wiping down countertops to cleaning spills, our Foodservice Wipes offer unbeatable versatility. Whether you're a professional chef in a bustling restaurant or a home cook creating culinary delights, these wipes will prove indispensable in maintaining a clean and safe environment. Also available in a [Premium Food Service Wipe](#) format.
