

MicroCloths - 14" x 14"- 240gsm - Red

This high-quality Microfiber Cloth picks up dust like a magnet and can clean surfaces without harsh chemicals.

Made of high-quality microfiber, this all-purpose cloth is designed to maximize cleaning productivity and efficiency. Highly absorbent and washable, it can remove stains and germs without the aid of chemicals. Use it in a colour-coded system to help reduce the risk of cross-contamination. Wipe various surfaces with the MicroCloths and use a [16" Dual-Sided Microfiber Flat Mop](#) on your floors.
