

SynRay™ Cut-End Wet Mop - Narrow Band - No-Bag - 20 oz

This SynRay™ mop has very absorbent strands and a sturdy construction that stands up to any floor surface, including stone and concrete. Does not contain cotton. Absorbs 5 times its weight.

The SynRay™ Wet Mop with Cut-Ends is made of a 4-ply rayon fibre yarn that prevents the growth of mould and mildew. It has a 4 row stitched narrow band made of heavy duty poly coated mesh that is chemical resistant and withstands laundering. It is ideal for rugged cleaning on rough surfaces and high traffic areas. Perfect for commercial and industrial floor cleaning, this mop can also be used for regular or restorative floor care. Its narrow band makes it compatible with a [STEP-N-GO Wet Mop Handle](#) or a [SNAP-2-GO Mop Handle](#).
