

Swipe™ Cut-End Mop - Narrow Band - Blue - 12 oz

The Swipe™ Cut-End Wet Mop is super strong and absorbent with high quality features without the added cost. It is perfect for cleaning up big messes quickly.

When it comes to cleaning, you need a mop that can keep up with your demands. That's where Swipe™ Cut-End Wet Mops come

in. Made with 4 ply rayon and synthetic blended yarns, these mops are built to last. Plus, there's no need to break them in - they're ready to use right out of the box.

But durability is just the beginning. With its cut-end style, the Swipe™ mop is also highly absorbent with mid retention, making it perfect for general cleaning tasks in any environment - including busy restaurant settings. Avoid cross-contamination with this colour-coded mop. Its narrow headband is made of heavy duty poly coated mesh. It makes it a perfect match for the [STEP-N-GO](#) or the [SNAP-2-GO Wet Mop Handle](#).
