

Ryno Extra Stiff Push Broom - 18 Inch

The RYNO Extra Stiff Push Broom is designed for heavy-duty applications. You can use it on rough concrete and uneven surfaces.

Durable and sturdy, the RYNO Extra Stiff Push Broom is ideal for construction, landscaping, farming and industrial maintenance. Featuring long, heavy-duty PVC bristles, and a bolt-on brace for added strength, it can push heavier debris and works well on rough surfaces. Also available with [stiff](#), [medium](#) or [soft](#) bristles.
