## 60" Bulldog Handle with Bracket

The sturdy Bulldog 60" wood handle with metal connector bracket works with all Bulldog broom heads.

Featuring a long wood handle and a metal connector bracket, this duo is perfect to secure brooms and brushes in place for rough applications. You can pair the handle with our [Push Broom Braces](#) for maximum strength and durability. The Bulldog handle and connector could be used with a [Bulldog Round Wood Bolt-On Utility Scrub Brush](#) or any [Bulldog Push Broom Heads](#). The Bulldog brooms feature soft, medium and stiff bristles and are highly versatile.
