

24" Food Service Push Broom - Blue

Suitable for wet and dry use, this 24" Food Service Push Broom has bristles that are water, chemical, bacteria and mildew resistant. Perfect for commercial, industrial and institutional use.

Rely on the M2 24" Food Service Push Broom featuring a thick plastic block and densely packed polypropylene bristles to keep

commercial, industrial and institutional kitchens and prep areas safe and clean. Robust and washable, it resists bacteria and mildew. It can be used with strong floor degreasers and disinfectants. This sturdy broom can be used in a colour-coded system to identify specific cleaning areas. Can be used with a [54" Aluminum Food Processing Handle](#). Also available as a smaller [18" Food Service Push Broom](#).
