16" Street / Stable Coarse Push Broom

For rough and unfinished surfaces, opt of the Street / Stable Coarse Push Broom to scrub and sweep up heavy dust and debris.

The Street / Stable Coarse Push Broom is the versatile and durable tool you need for workshops, construction sites, barns, stables, and any other outdoor facilities. Made with extra stiff polypropylene bristles, it is compatible tapered wood handles for added stability. This rugged broom is designed to sweep up heavy dust and debris. Also available as a combo including a 54" tapered wood handle.

Product Features

- Long, coarse polypropylene bristles
- Thick hardwood block

- Compatible with tapered wood handles
- Available in 14" or 16"
- Can be ordered with or without a tapered wood handle
