

## 32 Gal / 120L Rolling Waste Container w Lid

Store and move waste with ease using this mobile trash container. Just tilt it and roll it for quick disposal.

This two wheeled garbage can makes it quick and easy to collect and transport waste. Made of commercial grade molded plastic, it is extremely durable and won't crack or dent. It features a lid that opens 270° on molded hinges for convenient access and an impressive 32 Gal, 55 Gal and 64 Gal capacity. Can be stored outside, even during the Canadian winters! Ideal for commercial and industrial applications.

### Product Features
