

5 Gallon Under Desk Recycling Bin

This 5 Gallon Under Desk Recycling Bin can be used in offices, restaurants, retail stores, schools, and other commercial and institutional facilities.

Made of durable plastic, this compact recycle bin is perfect to use in small spaces. When placed next to a traditional garbage can, this bin makes it easy to separate waste from recycling thanks to the blue colour with the universal recycle logo in white. The rolled rims allow you to carry the bin effortlessly. Also available in a [16 Gal Curbside size](#) and a [22 Gal Curbside format](#).
