
Recycle Bin Lid Only

Opt for this useful rectangular lid for slim recycling bins to keep discarded items out of sight.

This Recycling Bin Lid is made of heavy-duty plastic that resists denting and corrosion. It can be used with slim bins to keep paper and recyclable items in. The lid features side handles that attach tightly to the bin for easy transport. This lid is suitable for both the [16 Gal Curbside Recycling Container](#) and the [22 Gal Curbside Recycling Container](#).

Product Features

- Made of heavy-duty plastic
