
Curbside Recycle Bin Lid with Hole

This recycle bin lid features a round opening for easy disposal of bottles and cans only. A great solution to separate paper from plastic recyclables.

Made of high-density plastic that is easy to clean, this Curbside Recycle Bin Lid keeps recyclables out of side and prevents overflow. It features a whole in the middle for plastic or paper cups. The convenient side handles attach tightly to the bin for easy transport. Fits on both the [16 Gal Curbside Recycling Container](#) and the [22 Gal Curbside Recycling Container](#).

Product Features

- Made of heavy-duty plastic

- Features side handles that clip to the bin
- Easy to clean
- Fits slim recycling bins
- Ideal for commercial and institutional applications
