

Heavy-Duty Foam Sponge with Scouring Pad

Use this Heavy Duty Foam Sponge with Scouring Pad for jobs that are too tough for a regular sponge.

This dual-sided sponge is also equipped with a scouring pad. Highly absorbent and tear resistant, this sponge is most effective on hard, smooth surfaces. The green side is for heavy duty scrubbing while the yellow side is for wiping. Use it to wash dishes and to clean up stains and spills on appliances, walls, equipment, patio furniture and more. Ideal for residential, commercial and institutional applications. Also available with a [Cellulose Sponge](#) option.

Product Features

- Dual-sided sponge with scouring pad
- Non-abrasive yellow sponge side wipes away dirt and particles
- Green scouring pad can scrub stubborn dirt
- Great for multi-purpose cleaning
- For residential, commercial and institutional applications.
