

Deluxe Plunger with HD Plastic Handle

This industrial deluxe plunger can clear the most stubborn clogs.

The Deluxe plunger features a large capacity black rubber cup that provides a snug fit in the toilet and a sturdy, ergonomic plastic handle. It is designed to create a tight seal around drains and get rid of stubborn clogs. This professional-grade plunger is recommended for toilets, sinks, showers and tubs. Complete your washroom cleaning essential tools with a [toilet bowl brush](#), a [bowl swab caddy](#) and some [Vim® Power & Shine™ Bathroom Spray](#).
