
Acrylic Bowl Swab

The Acrylic Bowl Swab has fast drying synthetic yarn and cleans effectively.

Clean toilet bowls with ease using our 12" Acrylic Bowl Swab. Its fast-drying synthetic yarn ensures effective and drip-free cleaning. The acrylic bristles offer durability and are resistant to chemicals, making it an economical choice. Attached to a sturdy handle, this bowl swab guarantees hassle-free cleaning for all your needs. It also has a convenient hanger hole for easy storage. You can also store it in a [Bowl Swab Caddy](#) in between cleanings. Keep your spaces spotless and sanitary with the Acrylic Bowl Swab!
