Auto Lotion Soap Dispenser

This touch-free automatic soap dispenser reduces waste and prevents the spread of germs.

This high quality automatic soap dispenser is contactless when distributing liquid soap or sanitizer. It is activated by a sensor and battery powered with minimal noise. The compact and streamlined design fits into any restroom and the dispenser is tamper resistant with a security lock and key access. It also features a refillable reservoir which allows you to use buy soap in bulk. Also available with a <u>foam soap option</u>.

Product Features

- Made with impact-resistant plastic
- Wall mount design
- Clear body for easy view of soap level
- Capacity of 1,000 ml
- Contactless operation
