

32 Gal Garbage Container - Grey

This 32 gallon waste receptacle can be used to store everything from food waste to bio-hazard waste. Its proven durability and reliability makes it the best choice for commercial and industrial applications.

This sturdy Garbage Container has an all-plastic, professional-grade construction that will not rust, chip or dent. It features reinforced rims for strength and durability and practical handles for easy maneuverability. The 32 gallon capacity makes it ideal for commercial and industrial waste disposal and transport. Close this container with a [tight fitting lid](#) and combine it with a [Waste Container Caddy](#) to get an upgraded cleaning experience.

Product Features

- Durable, heavy-duty plastic construction
- Contoured base handles improve handling efficiency
- Reinforced construction to resist tearing or damage from heavy loads
- For safe and effective routine waste management
- Specifically engineered to be dragged over rough surfaces
- Suitable for residential, commercial and industrial applications
