

Cleano Window Cleaning Tool Kit

Use the Cleano Window Cleaning Tool Kit is an all-in-on product that can reach difficult areas without dripping on or having to move furniture.

The Cleano window cleaning tool combines the cleaning power of pure water and microfiber into a light, compact and entirely mechanical device. Easy to use, it leaves no chemical residue behind and eliminates streaks. Plus, the ergonomic design reduces back strain. Use it to clean tables, desks, furniture, doors, walls, mirrors and glass. Comes with 3 [Cleano Microfiber Glass/Window Pads](#).

Product Features

- Built-in sanitization globe
- Ergonomic handle with an articulated joint
- Can be used with a telescopic pole
- Reduces labor by up to 50%
- Ideal for residential, commercial and institutional applications
