

## 11.5" Large Metal Scraper

Rely on this large metal scraper to complete even the most intricate scraping jobs.

This 11.5" Large Metal Scraper does all the work for you! Featuring a razor sharp stainless steel blade and a lightweight aluminum handle, it can remove stubborn residue without scratching surfaces. The comfortable, non-slip grip reduces strain on your hand. After use, simply retract the blade for safety. Ideal for residential and commercial use. Need to reach hard places? Try the [48" Metal Window/Floor Scraper](#).
