11" Microfiber Doodle Bug Refill

Highly durable and performant, the 11" Microfiber Doodle Bug Refill is all you need to clean your floors quickly and efficiently at a low cost.

Made of durable microfiber, the Doodle Bug mop head refill is designed to withstand heavy use and repeated commercial laundering with minimal fraying, tangling, or linting. Featuring dense yarn and cut ends, it is also equipped with a long-wearing velcro backing that securely attaches the refill to the frame. Perfect for commercial and industrial applications. This refill has to be paired wih the 11" Doodble Bug Frame for a powerful cleaning combo. It is also availabe in a smaller format: 9" Microfiber Doodle Bug Refill.
